

Drive Thru and Stop the Flu!!

Farmington Valley Pediatrics 3rd Outdoor Flu Vaccine Clinic
Saturday October 8th, 2022 from 9am to noon

4001 Wino 0707 6 120000 / 4001000

Why Do a Drive Thru Flu Clinic?

- To vaccinate and protect as many patients as possible
- Being outdoors keeps patients and staff safe by minimizing the risk of transmitting COVID-19

When?

Saturday, October 8, 2022
9 am to Noon

Where?

Farmington Valley Pediatrics
30 W. Avon Road
Avon, CT 06001
Parking lot

How do I sign up?

- Call our office to reserve a time slot for arrival
- Print and complete the necessary paperwork and bring with you
- At this time, we can only vaccinate our pediatric patients

What to expect...

1. On arrival, enter our parking lot from Dale Road.
2. Follow the signs. We will have only unidirectional traffic flow.
3. Please pull to a stop at the first check-in tent.
4. Present the Flu Screening Checklist paperwork for review.
5. We will ask you symptoms of illness. If you are sick, we will reschedule for a later time.
6. Once cleared, you will be instructed to pull forward to the second vaccine tent.
7. Please stay in your car and turn the engine off.
8. Get your child's Flu shot!!!
9. When instructed to do so, turn on your engine and exit our parking lot onto West Avon Road.
10. Thanks for putting a stop to the flu!!!

Helpful Tips...

1. Everyone in the vehicle should wear a mask covering their mouth and nose.
2. Dress appropriately by wearing short sleeves for children and shorts or onesies for toddlers.
3. Please stay in your car. Alternative accommodations can be arranged if the shot cannot be done safely in the car.
4. Don't pull out of line. If needed, we will have you pull out of line in parallel to the flow of traffic.
5. Please leave your pets at home.

Thank you for following these **do's and don'ts** to keep everyone safe!!!!
